Customer Supply Chain Resource
(cscr™) Background:

Steve supply chain career spans over twenty five years of experience leading supply chain and logistics efforts to enable fulfillment success within company upstream & downstream boundaries in alignment with customer capabilities improving cost-to-serve models. Following a number of years with progressive leadership responsibilities in Operations, Product Supply and Vender Managed Inventory, Steve held Senior Leadership roles with Southwest Traders, Inc. and Daymon Worldwide/Club Demonstrations driving accountability solutions. He is affectionately known as a **‘Capability Builder’**.

Steve has been decorated with a number of awards and achievements throughout his career, but he is most appreciative of the awards and achievements gained while working supply chain efforts through his teams:

- Capability Builder Manager of The Year (Procter & Gamble)/[Employee’s Choice]
- North America Value Chain IMPACT AWARD (Gillette)
- Supply Chain Partnership Award from Edgell Communications/Ralston Purina
- Baby Global Business Unit (First Moment of Truth) Award (Procter & Gamble)
- Vendor of the Year Awards – Kmart, Target, Dollar General, Family Dollar and Rite Aid
- Target Award of Excellence
